Join Marianne on Friday, June 16th at 1:00 PM for a discussion of Suzanne Rindell's **The Other Typist**.

Set in the 1920's, *The Other Typist* tells the story of Rose Baker, a woman who works for the New York Police Department typing up the confessions of criminals. While her days are filled with stories of murder and mayhem, her nights are normal and uneventful until she meets Odalie. Soon Rose finds herself enmeshed in an underworld of speakeasies, bootleggers, and Jazz music. What starts as a harmless diversion, quickly descends into an obsession that threatens to consume Rose's life.
